TE Connectivity

Product Change Notification: P-26-030292 **PCN Date:** 11-MAY-26

Customer: Heilind Electronics Inc(0002135900) **Location:** WORLDWIDE **Agreement:** Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Change of Machining Supplier for FDBA (EN3646) Connectors Manufactured at DIPC Bangalore

Description of Changes
Transfer of Machining of Plug Shells, Coupling Rings, and Receptacle Shells (Square and Round) from KUN Aerospace to New Suppliers The affected PNs have part descriptions starting with:- FDBA 50-** (Square flange receptacles size 8 to 24) FDBA 54-** (Jamnut receptacles size 8 to 24) FDBA 56-** (Plugs size 8 to 24) FDBA 57** (Plugs with RFI fingers size 8 to 24)

Reason for Changes:	
Part status change.M/s. Kun Aerospace, a company that currently produces machined components (sub components) such as the Receptacle Shells, Coupling Rings and Plug Shells for the EN3646 product line (TE FDBA series connectors), will no longer continue to produce these parts due to strategic reasons. They have accepted a last buy order to avoid disruption of the TE supply chain. TE has identified new suppliers to produce these components. Going forward, these components will be sourced from qualified vendors namely M/s. Microtech, M/s. Delta CNC, M/s. ESS Enn and M/s. Top Flite. This is merely a source change and doesn't impact the form, fit and functionality of the end products. TE will ensure that the necessary product qualifications and product approvals are in place while making this supplier transition.	
Estimated Dates:	
Last Order Date (Obsolete Parts Only):	**First Date To Ship** (Changed Parts Only):
	25-MAY-2026
Last Ship Date (Obsolete Parts Only):	**Last Date for Mixed Shipments:** (Changed Parts Only):
	30-SEP-2026
