END OF LIFE NOTIFICATION

EOL-KAV-250131

This End of Life Notification serves to inform the Purchaser and Consumer of the discontinued availability of the Sensata part numbers listed herein in accordance with the described timeline.

Issue Date: September 1, 2026

Effective Date: September 1, 2026

Subject: Updated End of Life Notification for Various Kavlico Pressure Products

Scope:
Sensata has made the decision to discontinue the manufacturing of some Kavlico products as part of our commitment to focus on more innovative solutions to address market needs.

This notification is an update on previously issued EOL-KAV-250131, providing clarity on additional part number details of family discontinuations.

The full list of part numbers is available here

Replacement Components:

Some affected parts can be replaced with similar components within Sensata's other pressure sensor offerings. Customers are encouraged to evaluate the following product categories as noted on the next page

- For Hermetic Components – OFM (2HMP, etc.) and PTE Series
- For High Pressures (up to 600 bar / 8700 psi) – PTE Series
- For Low Pressure (Down to 0 bar/145 psi) – APT (60CP/81CP, etc), OFM, or PTE Series iMSG

Sensata values your business, and we are committed to supporting you during this transition. We remain at your disposal for any support you should need. For further clarification or questions, please contact your Sensata representative.
