TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
TE CORCOM ESR SERIES FILTERS

General Description of Changes
TE Connectivity is formalizing an already implemented product marking change for the affected Corcom ESR Series Filters. The product marking has been updated from the previous separate UL and CSA safety agency identification to the cURus Recognized Component Mark, identifying recognition for both U.S. and Canadian requirements. This marking change was intended to be included within the scope of PCN-25-239089, distributed on April 1, 2025. The applicable TE product documentation is being updated accordingly.

Reason for Changes:
To align TE product documentation with the safety agency marking currently used on the affected products and formally document the marking change that was intended to be communicated under PCN-25-239089.
