Reason For Change

New, Modified, Or Replacement Tooling

Change Description

This letter is to announce that Molex is making a change to the ribs on the Mega Fit Receptacles to facillitate a strain relief option. This will require changes to the mold. This will be a running change and should have no impact on product performance. For appliactions using 2ckt right angle headers, please review the spacing between the end of the board and the ribs on the bottom of the receptacle.

Part Numbers Affected Please refer to CustomerPartList.csv attached to e-mail message. Reason For Short Notice Exception Special Request Assessment Of Change Product will be fully qualified by Molex before it is released to production.
