TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
PL 250 REC HSG 1P NYLON

Description of Changes
Manufacturing location change.TE business unit operations are simplifying our manufacturing footprint to provide a more continuous efficient supply of product. As a result, the parts noted in this document will be relocating products from TE Shanghai, China to TE Qingdao, China under the same certified quality management system.

Reason for Changes:	
Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
