Before Change

Before

- Molex is currently producing 2139, 47054, 91560, 91561, 90331 series KK crimp housing in Molex Shanghai China.

After Change

After- Overview of Change

Molex is currently producing 2139, 47054, 91560, 91561, 90331 series KK crimp housing in Molex Shanghai China. After 15th December, 2017 all production will be consolidated in Bangalore India. In the interim to facilitate the tooling transfer you may begin receiving product from either production location. And some raw material sourcing locations may change and packaging items may change. No impact to fit, form & functions of the product.

The Molex facility in Bangalore, is an established ISO/TS 16494 plant and is already the home to some KK® products. This project will allow Molex to continue our tradition of excellent quality and improve our overall capacity.

Customers may receive certain parts from current or new facilities and packaging will clearly denote which facility.

Qualification reports and samples from our Bangalore facility will be available upon request to pcn_coordinator@molex.com
