Overview

- A change is being made to the existing TPA (Terminal Position Assurance) to accommodate the CPA (Connector Position Assurance). This will be a running change, part numbers will stay the same. The current TPA can still be used with the Mini-Fit TPA2 receptacles and plugs. However, the current parts are not CPA compatible.
- Product Impact
 - The form changed.
- Part Number Impact
 - See attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above
