Overview

- Molex will outsource the assembly process for the below part numbers. The existing in-house assembly equipment will be transferred to the new location. All other production conditions will remain the same, meaning the same components from the same sources, the same process monitoring systems and the same quality control plan.
- Product Impact
 - no impact to fit, form or function
- Part Number Impact
 - no impact to fit, form or function
- Qualification Reports and samples available upon request after the date shown above
