**(Product Change Notification)**

Wednesday, May 19, 2021

PCN# 050521

To Whom It May Concern:

In an effort to improve the quality and performance of NorComp's IP67 circular cable assemblies, small geometry changes have been made to the straight over molds associated with the part numbers listed on the subsequent page.

Form, Fit, and Function will remain unchanged for all parts numbers. NorComp does not anticipate these slight changes to cause any issues within our customer's applications. If you have any technical questions, please reach out to [eng@norcomp.net](mailto:eng@norcomp.net).

This will be a rolling change as our stock from the previous design is used. If you would like to ensure ordered stock is of a certain revision, please respond accordingly to this email.

The over mold dimensions are shown on the drawings attached to the notification email sent concerning this PCN.

You are receiving this notification as our records show that you are the sole consumer of these products. We appreciate your understanding as we strive to offer you the most current information regarding our product.

Please confirm receipt & acceptance of product change notification (by responding to the email you received this notification through). If you have any questions or concerns, please feel free to contact us at [sales@norcomp.net](mailto:sales@norcomp.net).

Regards,

A handwritten signature in black ink, appearing to read 'Joshua Kadel'.
