After Change

Overview

- Due to severe a supply situation in Germany, resin supplier Laxness issued a formal letter to Molex and increased the lead-time of plastic material supply to Molex. This change in lead-time will lead to Connector shortages soon, if we do not take immediate action.
- In order to reduce the material shortage risk, Molex is working to qualify internally the use of four resin grades to a Second production location of these grades in the Laxness China plant. The estimated implementation date will be 15th July 2021.
- Product Impact
 - Material type used in impacted part numbers list is not changing, only the location of where the product is produced & purchased, "no impact to fit, form, function".
- Part Number Impact
 - see attached impacted parts list
- PPAP/qualification will be available upon request. Submissions will not occur without request.
 - If PPAP requested, disposition response required within 5 days of submit date or it will be considered approved.
 - If no PPAP requested by 07/15/2021 the PPAP will be considered approved.
