

Product Name:	678 - Dubox	
	DUBOX receptacles, DUBOX CTW housings,	
Product Manager:	François PILLET	
Subject:	Notification of Change with Immediate Effectivity	
Distribution:	Affected customers	
Type of Change:	Materials Change	
Change Description:	<p>Use of alternative color of POCAN plastic material (white instead of blue) within our DUBOX parts.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>Original color (Blue)</p>  </div> <div style="text-align: center;"> <p>Alternative color (natural)</p>  </div> </div>	
Reason for Change:	<p>"Due to an unexpected and unforeseen non-availability of Pocan B4235 blue thermoplastics, AFCI will not be able to deliver parts in blue colour as per immediate effect. As from the date of this PCN, in order to ensure the supply of the affected Dubox part numbers, AFCI will deliver these part numbers in the same material (Pocan B4235) with the exact same technical characteristics but in a natural colour for a period of time still to be defined. Until the availability of blue Pocan material is fully recovered & secured and unless clearly specified by customers, AFCI reserves the right to deliver the affected part series either in blue or natural color according to material availability. More detail is explained in the attached technical presentation. Note: the UL certificate remains valid for this Pocan natural material as well.</p> <p>We have been using Pocan blue for more than 20 years for our Dubox product family and we have never experienced an extreme situation like this."</p>	
Affected Parts:	See Affected Parts.xls file	
Effective Date of Change:	15 April ,2022	PCN22026R2 - 746 parts were removed from Original PCN last communication PCN22026R1 was miscommunicated with an incorrect parts list for removal. Parts being removed from PCN22026 are at the bottom of the list highlighted in Yellow
