TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Self adhesive labels for identification of wires and cable.

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from TE Connectivity manufacturing location based in Roedermark, Germany to the TE Connectivity manufacturing location based in Tangiers, Morocco.

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system. A TE-internal release test based on the relevant part specifications will be executed before delivery. A copy of the release test will be available. If required, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN
