**(Product Discontinuance Notification)**

Monday, October 3<sup>rd</sup>

PCN# 081222

To Whom It May Concern:

Please be advised that due to the unprecedented supply chain complications and environmental regulations impacting our business, NorComp must discontinue the list of part numbers shown on the subsequent pages of this notification.

The discontinuance is due to the challenges relating to the tin-plated shells used on the associated part numbers. All discontinued part numbers can be replaced by NorComp's standard nickel-plated shell equivalent part numbers (shown next to each discontinued part number on the subsequent pages). There are also alternative tin shelled part numbers provided for some of the parts being discontinued. All replacement part numbers meet the exact form, fit, and function of the discontinued part numbers except for the plating material on the shells.

All orders for the discontinued parts listed on the subsequent pages must be placed before November 1<sup>st</sup>.
