

Part Change Notice: MX34 Manufacturing Location Change

JAE will be moving its manufacturing location from the US to Japan for select MX34 Series products. Raw materials will remain the same and the connectors will meet all of the same dimensions and specifications as before. There will be no changes to the connector handling, form, fit, or function.

1. Applicable Product(s)

JAE Part Number	Transfer Timing
M34S75C4F1	November 1, 2023
MX34012NF1	November 1, 2023
MX34016NF1	November 1, 2023
MX34020NF1	November 1, 2023
MX34024NF1	November 1, 2023
MX34028NF2	November 1, 2023
MX34R12VF1	January 1, 2024
MX34R20VF1	January 1, 2024
MX34R32VF1	January 1, 2024

2. Change

The manufacturing location for the listed part numbers will be transferred from a US factory to a factory in Japan. This change will only affect North American customers who purchase parts through JAE Electronics, Inc. or North American distributors. (DigiKey, Mouser, Heilind US, RS Americas, Kensington Electronics)

3. Schedule

This change is effective starting with shipments in November 2023 or January 2024. Please refer to table above for more details.

If you have any questions regarding this matter, please contact your JAE account manager.
Thank you for your cooperation.
