PRODUCT CHANGE NOTIFICATION

PCN-CB-250124

This Product Change Notification serves to inform the Purchaser and Consumer of changes regarding the Sensata part numbers listed herein in accordance with the described timeline

Issue Date: January 23, 2025

Effective Date: April 1, 2025

Subject: Country of Origin Change for Sensata Airpax 218 PC Devices

Scope:

As part of continuing efforts to optimize our manufacturing footprint, Sensata is adjusting the country of origin of our 218PC Circuit Breaker products currently sold in North America and Europe under the Airpax brand. Starting April 1, 2025 these products will be manufactured exclusively at our facility in Baoying, China

Our Baoying facility is a center of excellence for Hydraulic Magnetic Circuit Breaker products and is already producing 218PC series circuit breakers to support our customers in Asia. This transition allows us to consolidate production and leverage the facility's expertise to serve all 218PC customers globally.

We expect the China made product to have the same form, fit, function, and specifications as the products currently produced in Mexico. Unless Sensata is contacted in writing within 30 days of the posting of this notice, all changes described in this announcement are considered approved.

Products/Models this PCN applies to:

218PC COO Change - Affected Parts List.xls

We are committed to making this transition as seamless as possible for our customers. If you have any questions or require additional information, please do not hesitate to contact your Sensata representative.

Ryan Sheahen

Product Manager (Industrial); Electrical Protection and Power Controls
