TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

| **General Product Description:** |
|---|
| MTC Connectors |

| **Description of Changes** |
|---|
| TE Connectivity is changing the fastener supplier base to support manufacturing capacity and part availability. This change does not affect the part design, and form, fit, and function remain unchanged. |

| **Reason for Changes:** | |
|---|---|
| We hereby inform you about a change in the fastener supplier base to support manufacturing capacity and part availability. The new supplier follows established quality procedures and operates under a certified quality management system. Internal validation and First Article Inspection will be completed prior to any deliveries. | |
