PRODUCT UPDATE

Written by | LEMO USA | November 2025 | #235

PCN-099
EJG.1B Outer Shell Modification

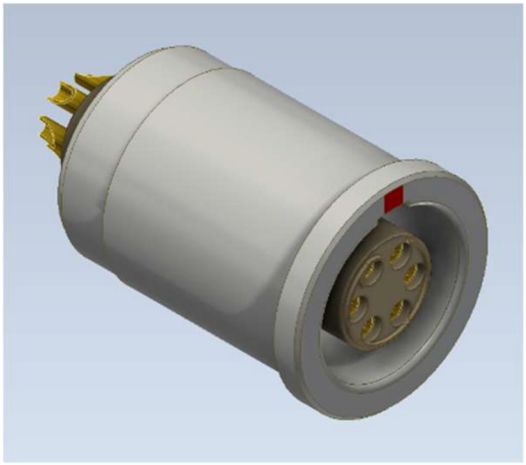

The outer shell of the EJG model in the 1B Series will be modified to slightly increase the friction-fit diameter, and reduce the length of friction-fit diameter to make it easier to install the receptacle into the panel hole.

Details:

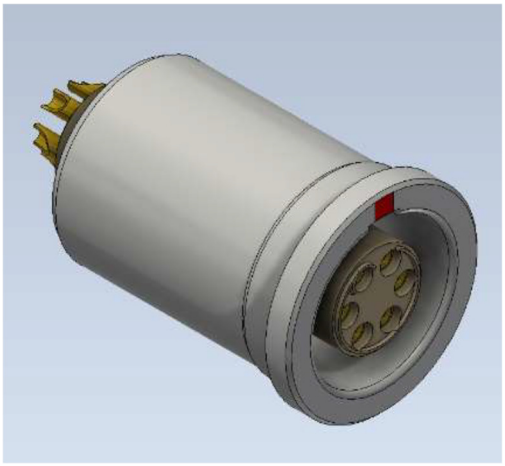

The outer diameter of the housing changes from 11.2mm to 11.21mm, and the friction-fit diameter length changes from 11.7mm to 2.3mm.

The part number will remain the same.

Before

After

Timing of change:

Shipments of the new design will begin after inventory of the legacy design is depleted.

If you have any questions or concerns regarding this change, please contact Customer Service or Applications Engineering at 1-800-444-5366 or email: info-us@lemo.com. Thank you for your continued support of LEMO products!
