RE: Noting that part AEHS8-420-165BS and CAH2-2520-165BS are interchangeable

Dear Ashley,

Noting that part AEHS8-420-165BS is being replaced by part number CAH2-2520-165BS. We will no longer create work orders under the number AEHS8-420-165BS. Both part numbers were produced in the PEM factory and are the same form fit and function, we are simply consolidating the numbers.

Thank you,

Richard Stauffer
