SREA – Customer approval required

Amphenol Fremont:			
Initiator name:	Ery Regner	Date:	04/23/2026
Part(S)/Process Name:	NPC-1210, NPC-1220, NPC-410 Series		

Customer Information:				
Customer:	Various		Address: Various	
Customer contact name:	Various	e-mail	Various	Phone# :

Information:										
Type of change:	☒	Major	☐	Minor						
Effect of change:	☐	Form	☐	Fit	☐	Function	☐	Reliability	☒	Other
Explain if 'Other':										

Process/Product Information:								
Reason for change:	☐	Design	☐	Processing	☐	Machine/Tooling	☐	Cost Reduction
	☒	Part/Material	☐	Location	☐	Supplier Change	☐	Other
Explain if 'Other':								
Description of change:	The current glass encapsulant (overglaze) material is being discontinued and will be replaced with an alternate glass encapsulant (overglaze) with equivalent form, fit, and function.							
Current Format:	Legacy glass encapsulant (overglaze) Dupont 5415A			Proposed Format:		Alternate glass encapsulant (overglaze) Micromax QQ620 (formerly Dupont QQ620)		
List of attached Document:	NPC-1210, NPC-1220, NPC-410 Part Numbers							
Proposed method to identify changed product: *(Lot#, Effective Date, Shipment date, Part number via e-mail)*	**Shipment Date: Jul 2026**							
Is piece cost affected? If yes, What is the cost effect:	$:							
Will incorporation of change affect shipping schedule? If yes, please provide details:	☐ Yes	☐ No	Details:	Please see attached letter				
Fremont Quality engineer name: Yessica Martinez								
Fremont Quality engineer signature:	Yessica Martinez	2026-04-27						
Additional comments: There will be no changes to published specification								
Approval to this document is required by: *(Due date for a response from Customer)*								

Please check the scenario applicable to this form:
☐ This is a request for the proposed plan approval. Once approved by customer, tests will be conducted per the attached test plan and results will be presented to the customer for final approval
☐This is a request for approval of the change per the attached test results. If we do not hear back from customer before the due date given above, it is assumed that customer has approved the change
☒This is a notification of the change.

Below Information to be completed by customer.			
Approval or rejection	Approved ☐	Rejected ☐	Approval/Rejection date:
Customer representative name:			Customer representative signature:
