ITT Cannon

PCN Number: PCN26009WN

Location:

PCN Date: 26.06.2026

Customer: market / customer

WEINSTADT - GLOBAL

Issued by: Nadja Heckenberger

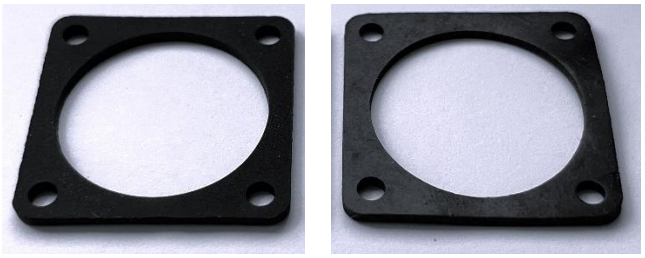

Dear Valued Customer. With this letter ITT Cannon informs you of the following change(s) to the respective ITT Cannon Product. In case of further questions about this change(s), please contact your local ITT Sales or Customer Service representative. Affected part, drawing and or specification numbers are listed on the attached sheet(s)

Affected Product(s) / Product Line(s):

192900-0458 / TNA24PG03-00B - Trident Neptune Panel Gasket for Jam Nut Mounting, size 24
192900-0566 / TNA16PG01-00B - Trident Neptune Panel Gasket for Flange Mounting, size 16

Description of Change(s):

Minor adjustments have been made to the tooling to achieve a slightly rougher and more matte surface finish of the panel gaskets.

New matte, rougher surface finish (left) vs. previous surface finish (right)

This change is limited to the surface finish only. There are no changes to fit, form, or function. All dimensional, mechanical, and functional characteristics remain unchanged.

Reason for Change(s):

To improve the haptic quality of the panel gaskets.

Timeline:

With immediate effect, only parts featuring the updated, rougher surface finish will be supplied.
