Product Change Notification

Current Date: 18-Aug-2026

TE Connectivity

Product Change Notification: PCN-26-288493 **PCN Date:** 14-AUG-26

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
2.54 CL HV 100 RECEPTACLE CONNECTOR

General Description of Changes
Dear Customer, TE Connectivity informs customers that the part numbers listed in this notification will be discontinued and transitioned to obsolete status. TE recognizes the potential impact of this change and is committed to supporting customers through this transition. Where applicable, last-time-buy opportunities may be offered, and alternative products may be available. Customers may reach out to consult available inventories at TE for first come first serve disposal and only until stock lasts. In this particularly case, please intensively review the LAST TIME ORDER date below and place any order or demands prior to the end of this date or in parallel shift any demands to the applicable replacement parts if necessary. Please reach out your TE sales representative for more detailed for further information on available replacement parts. Customers are advised that revised commercial conditions, including minimum order quantities and lead times, may apply. For additional information, including availability, timelines, and potential replacement solutions, please contact your local TE Connectivity sales representative.

Reason for Changes:
Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. Due to unforeseen supply chain disruptions affecting the parts listed below, and as part of our ongoing efforts to optimize and manage our product portfolio throughout its lifecycle, we have made the decision to discontinue the following parts.
