General Description of Changes
This Product Change Notification (PCN) is to inform you about a Manufacturing Location Change impacting the part numbers listed in this PCN, involving the transfer of production from one supplier facility in China to an alternate supplier facility in China. The change has no impact to form, fit, or function. TE's change process follows a strict procedure, which fully maintains quality and ability to supply. The internal release process is ensured by TE, including product validation as per OEM/CAM requirements (when applicable). Validation will be initiated and completed according to the project plan, as soon as samples are available. PPAP/PPA and samples will be prepared as per agreements between the two parties. A request via www.te.com needs to be initiated by the customer within 2 weeks after the creation date of this PCN. In case no request is received by the above-mentioned date, PPAP/PPA will be considered approved and the change will be considered fully released. Note: Only TE China customers are impacted by this change.

Reason for Changes:
The manufacturing location change is intended to improve production flexibility and mitigate supply chain risks.
